DEAR NEIGHBOR  
MINISTRIES

## Rooted in Hilltop...

**Dear Neighbor Ministries is committed to helping our neighbors in Hilltop. We have served this neighborhood since 2001 and there is still more to do.**

**Children are a huge part of this neighborhood and often they do not share the same experiences as other children. There are many needs and each one unique.**

**Here are some examples of how your dollars will support services provided at Dear Neighbor Ministries:**

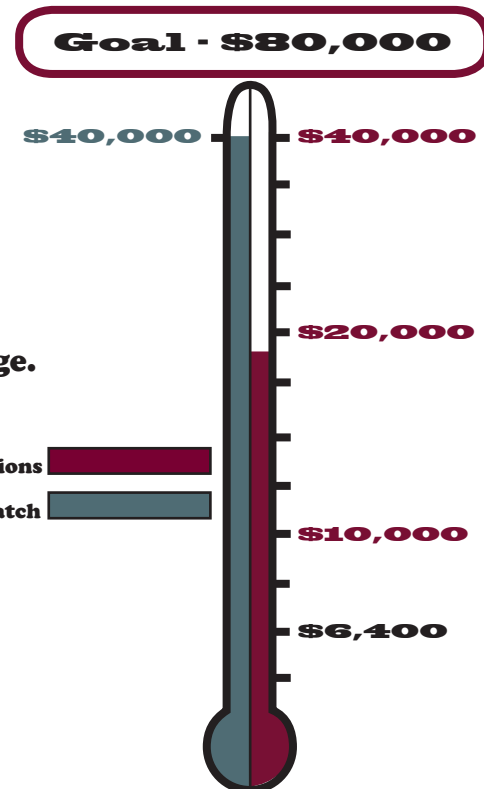

- **Bus passes or gas money for transportation to work, or to medical appointments.**
- **Medical copays, prescriptions or over-the-counter medication for adults and children.**
- **Rent and/or utility assistance.**
- **Art and craft items, sports equipment, museum passes, etc. for children's activities.**
- **Program salaries to support an increase in children's program activities.**
